The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**RESOLUTIONS TO REPLENISH THE TREASURER AND TAX COLLECTOR'S  
CASH DIFFERENCE FUND, GRANT AUTHORITY TO THE AUDITOR-CONTROLLER  
TO REPLENISH FUTURE APPLICATIONS, AND INCREASE THE CASH  
DIFFERENCE FUND TO \$50,000  
(3 - VOTES)**

**SUBJECT**

Four Treasurer and Tax Collector (TTC) recommendations are presented. The first recommendation is to approve the current replenishment of the TTC's Cash Difference Fund (Fund) for cash shortages and differences in Fiscal Year 2007-08. The second recommendation is to request the Board of Supervisors' delegate authority to the Auditor-Controller (A-C) to replenish future cash shortages and differences in the Fund. The third recommendation is to approve an increase in the Fund from \$16,700 to \$50,000 due to an increase in the maximum acceptable payment difference, i.e., Petty Shy amount, to ten dollars (\$10) as permitted by the Revenue and Taxation Code. The fourth and final recommendation is to authorize (A-C) to issue a warrant to the TTC for \$33,300 to increase the Fund's balance to \$50,000.

The approval of all four recommendations allows the TTC business operations to continue more efficiently while minimizing payment handling and taking up valuable time of the Board of Supervisors for such ministerial administrative approval functions.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Adopt the attached Resolution (Attachment I), pursuant to the provisions of Section 29378 of the Government Code, replenishing the Fund in the amount of \$4,747.21.
2. Pursuant to Section 29380.1 of the Government Code, delegate authority to the A-C by Resolution (Attachment II), to replenish future cash shortages and differences in the Fund, as requested by the TTC.
3. Approve an increase in the Fund from \$16,700 to \$50,000 due to an increase in the maximum acceptable payment difference, i.e., Petty Shy amount, to ten dollars (\$10) as permitted by Section 2611.5 of the Revenue and Taxation Code.
4. Instruct the A-C to issue a warrant in the amount of \$33,300 payable to the TTC to increase the Fund's balance to \$50,000.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On July 5, 1966, your Board, in accordance with the provisions of Section 29370 et seq. of the Government Code, established a Fund for the TTC. The Fund was deemed necessary to replenish shortages in the tax collection process in Petty Shy amounts.

Banking Operations shortages that occurred during the reporting period of July 1, 2007 through June 30, 2008, have resulted in the following:

- Petty Shys – Mail Payments

These are minor amounts of money short of the amount due in processing mail payments. Section 29373.1 of the Government Code allows the TTC to use the cash difference fund to increase the amount tendered so as to equal the amount due the County. The total amount of Petty Shys for the reporting period is \$2,802.59.

- Cashier Window Shortages

These amounts are unaccounted cash transactions including the receipt of Counterfeit Currency from the TTC Cashier windows since the last reporting period. The total shortage for all cashiering transactions for the reporting period is \$1,944.62. (See Attachment III for details.)

Pursuant to Government Code Section 29380.1, your Board, by resolution, may approve applications to have the Fund replenished by the A-C instead of with your

Board and may authorize the A-C to replenish the Fund. This action will streamline the administrative process for Fund replenishments and relieve your Board of this ministerial action.

Effective in Fiscal Year 2008-09, the TTC implemented Section 2611.5 of the Revenue and Taxation Code, to use the Fund to replenish tax payment differences resulting from tax payments, assessments, penalties, cost of interest that is due the County of ten dollars (\$10) or less. The costs will be offset by increased efficiency in the handling of such payments.

#### Implementation of Strategic Plan Goals

These actions are consistent with the Countywide Strategic Plan Goal of Fiscal Responsibility and are in accordance with the Government, and Revenue and Taxation Code provisions.

#### **FISCAL IMPACT/FINANCING**

The Board of Supervisors' approval of the current shortage replenishment and all future shortage replacement will be charged to the TTC's services and supplies budget. Effective July 1, 2008, in accordance with Section 2611.5 of the Revenue and Taxation Code, the TTC increased the Petty Shy limit to ten dollars (\$10) for all secured and unsecured tax payments from a one dollar (\$1) and two dollar (\$2) limit, respectively. The TTC believes that the incremental cost to the TTC of this change will be offset by improved operational efficiencies and reduced costs. TTC intends to evaluate the cost effectiveness of this change after one year of operation.

Pursuant to the Board resolution, future TTC cash difference replenishments performed by the A-C will relieve the need to request the Board's approval for this ministerial type action.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Pursuant to Section 2611.5 of the Revenue and Taxation Code, the TTC has authority to establish a payment Petty Shy limit of up to ten dollars (\$10). Prior to July 1, 2008, the TTC had established a one dollar (\$1) and two dollar (\$2) Petty Shy limit for secured and unsecured property tax payments, respectively. In Fiscal Year 2008-09, TTC increased the Petty Shy limit to ten dollars (\$10).

Pursuant to Section 29370, et seq. of the Government Code, your Board established the Fund in 1966 to provide for a provision to replenish payment shortages received from those owing funds to the County.

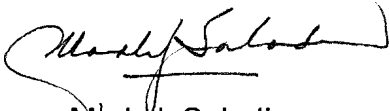

**CONCLUSION**

The total Fiscal Year 2007-08 shortage amount to be replaced from the General Fund to the Fund is \$4,747.21.

Instruct the A-C to issue a County warrant in the amount of \$33,300 to increase the TTC Cash Difference fund from \$16,700 to \$50,000.

Instruct the Executive Officer/Clerk of the Board to return one (1) adopted Board Letter to the A-C and (1) adopted Board Letter to the TTC.

Respectfully submitted,

Mark J. Saladino  
Treasurer and Tax Collector
